

Welcome to Newport Dental Arts!

Thank you for scheduling an appointment with us. We look forward to caring for the dental needs of you and your family. This packet contains the following:

- Patient Registration Form
- Patient Medical History Form
- Financial Policy Form
- 2 page Notice of Privacy Practices Form – for patient's records
- Acknowledgement of Privacy Practices Form

We have reserved your appointment time just for you! Thus we ask you to be on time and be aware of our 48 hour cancellation policy out of consideration for the doctor or hygienist and to avoid a charge.

Please completely fill out the forms as all this information is necessary. Please bring the completely filled out paperwork with you to your appointment. If there is dental insurance, please bring the dental insurance card with you. Be aware that it is your FULL responsibility to know your insurance coverage and to inform us of any insurance changes. It is also your full responsibility and financial obligation to cover costs not covered by your insurance for ANY reason. Financial options are cash, check, credit card, and if you qualify a no interest financing plan.

AT YOUR FIRST HYGIENE APPOINTMENT depending on your current dental health a series of digital x-rays will be taken ranging from 4-18 films. A panoramic x-ray will be taken looking for abnormalities, wisdom teeth, abscesses, and bone structure. Our hygienist will chart all existing restorations, conduct an oral cancer screening and check your gums (gingival tissues) for any periodontal problems. If periodontal disease or concerns arise, your appoint is subject to change. If not, a cleaning and polish will follow. We will schedule your future 6 month cleaning ensuring you have a reserved appointment. The doctor will then give a full diagnostic exam and if needed, give you a treatment plan listing future work needing to be done to achieve optimum dental health.
